UKG Graduation Day

On the 21st of March, our UKG students celebrated their Graduation Day through the theme "Folk Dances Of India" where they encapsulated the essence of the diverse North, South, East and West cultures. It was performed twice, in the afternoon and in the evening, for parents and grandparents to relish the joyous moments. They also received their graduation certificates from the Principal and other dignitaries.

Holi Celebrations

Class 1 and 2 celebrated the Holi festival in a spectacular manner. The students of class 1 drew colourful water guns (pichkaris) and students of class 2 cut paper designs of splashes of various festive colours. Thereafter these splash cut outs and water guns were pasted on paper and were displayed. With this unique celebration of colours, the students were able to appreciate the importance of colours in our cultural landscape and spread the message of happiness, peace, and love through colours.

Aurora Borealis

The Aurora Borealis is a dazzling display of lights in the night sky, caused by charged particles from the sun interacting with earth's magnetic field. They generally appear as a blend of pink and green hues. Auroras are typically visible in high-latitude regions such as the North and South Poles. They were observed worldwide recently, through all-sky cameras positioned around the Indian Astronomical Observatory (IAO), Ladakh.

BRV At The Himalayas

Students of class 9 to 12 had an exhilarating experience travelling to the Himalayas. The journey was filled with challenges and the beautiful tranquility was a memorable experience. The students were taken trekking up to a height of 12500 feet. They listened to motivating speeches, had heartfelt conversations by the campfire and enjoyed the scenic views . Students spent five days in the wilderness with minimal gadgets and learnt to be flexible and responsive to unforeseen circumstances. They also learnt to be responsible and to manage time.

The SSN College of Engineering held a competition for the science students of class 12 to help expand their horizons and gain exposure on the Sustainable Development Goals. The students were asked to propose ideas which would help achieve one of the SDGs, thereby protecting the world. Our students thoroughly enjoyed learning the new techniques. Students of our school were selected for the preliminary round for their thought-provoking ideas. There was also a Q&A session with the college faculty. Students felt that the session was truly inspiring as they gained insight on different project ideas.

The Investiture Ceremony of the primary section was held with great enthusiasm. The ceremony commenced with a heartfelt prayer, setting a serene and respectful tone for the event.

Following the prayer, the captains of Class 5 and the vice-captains of Class 4 were introduced to the assembly. Each student stepped forward with pride as their names were called, embodying the values and responsibilities that come with their new roles. The Principal, the Vice-Principal, the Head Mistress and the Academic Coordinator bestowed the badges upon the young leaders. The children then offered flowers to Lord Ganesha. Following the badge distribution, the newly appointed leaders took an oath. The principal delivered a speech that emphasized the importance of leadership.

The programme concluded with the singing of the national anthem. The ceremony was a memorable event, marking the beginning of a new chapter for the young leaders of the primary section.

This year, the National Integration Camp was held at the Bhavans Vidya Mandir, Elamakkara, Kochi, Kerala. 6 students accompanied by 2 teachers, Kum. S. Gomathi and Smt. P.K. Suma, had participated in the event. The students got a chance to interact with Bhavanites of other branches. They took part in interactive sessions organised by the school. On May 4th, the students were taken on an Integrity Walk to the Kochi Backwaters. The experience gained by them will definitely expand their scope of interests.

National Pets Day

April 12th, 2024 . Dr Ayyapan, a renowned Veterinary Surgeon in Chennai, graced the occasion and addressed the children on the importance of pet care. The students of middle school brought their pets for a Pet Show. A skit was also performed by the children on the topic- 'Compassion to our Furry Friends'. The children understood the unconditional love, comfort and joy that pets bring into their lives. It also highlighted awareness among children to encourage people to adopt pets as well as to promote responsibility in pet parenting.
