On 15th June 2024, a seminar was conducted in the AV room by Kushal Agarwal (12D) and Punyah Baghla (12B) on "Cyber Threats and Security", with students of grade 8 as the audience. The objective of this session was to introduce students to crucial digital security and safety concepts while giving suggestions on how to deal with cyber threats. The audience was remarkably responsive and engaging, throughout the informative and interactive session.

Save Water - Class 5

Water Conservation is an essential practice in which water is used efficiently. Efforts must be taken to reduce unnecessary water usage. To instill awareness and foster responsible habits into young minds, our school had organized a "Save Water" activity for the students of class 5. The activity began on the 20th of June, with an informative session on Rainwater Harvesting. Students were taught about storage tanks and were also encouraged to do activities which focused on saving water within the school, identifying leaking taps and to promote the practice of turning taps off when not in use.

On 21st June, our school celebrated the International Yoga Day. Primary students of our school performed various asanas demonstrating zeal and enthusiasm which was witnessed by the Principal. The scouts and guides of our school also put up a display. This reminded us of the importance of yoga and how it helps us improve our physical health, mental clarity and emotional balance.

On 15th July, STEM lab classes commenced in our online testing centre room. STEM stands for science, technology, engineering, and mathematics, and it's an approach to learning that integrates these areas. These classes would enable the students to enhance their problem solving skills, science, math, and engineering skills. The students actively participated and completed the projects by using technology.

Kamarajar's Birthday was celebrated on 15 July. He was an Indian independence activist and politician who served as the Chief Minister of Madras from 13 April 1954 to 2 October 1963. Students of class 1 were assigned to speak a few lines about him. K. Kamaraj was known as "Kingmaker" in Indian politics and was a prominent leader from Tamil Nadu. Born on July 15, 1903, he played a key role in India's struggle for independence. After independence, Kamaraj became the Chief Minister of Tamil Nadu and served from 1954 to 1963.

The 78th Independence day was celebrated in a highspirited and festive manner at the school campus. Our honourable chief guests were Smt. R. Sindhuri, Smt. Geethamoni Amma K.B, and Smt. J. Rajeshwari.

On this occasion, Class 1 and 2 students demonstrated their patriotism by showcasing their vibrant dance and through music. Prizes were distributed to those who excelled in various activities.

In the patriotic song competition, conducted by the school, Bheeshma House emerged victorious.

A quiz was conducted for the students of classes 3, 4 and 5 on the topic "Freedom Struggle." Impressive speeches were given in Hindi, Tamil and English.

A visit made by class 8 students to the Gandhi Mandapam was significant.

Classes 9 and 10 visited the Photo Exhibition at Raj Bhavan. It was graced by the Honourable Governor Shri. R.N. Ravi. It was truly memorable.

Madras Day, celebrated on August 22 each year, commemorates the founding of the city of Chennai, formerly known as Madras. This day honors the city's rich history and its transformation from a colonial trading post into a vibrant metropolis. On August 22, 2024, the Tag Auditorium hosted a guest lecture for Classes 9 and 11, featuring Dr. Pradeep Chakrabarty. His insightful presentation explored the origins of Chennai's district names and the oftenoverlooked inscriptions in local temples, offering students a deeper understanding of the city's history. Earlier, on July 31, 2024, our school marked Madras Day with an inspiring speech by Smt. Sujatha Shankar to Class 8 students. She highlighted the significance of Madras Day and traced the city's evolution from its colonial past to its present status, reflecting on the cultural, economic and social transformations that have shaped its identity.

On 2nd February, the students of Deepam school for specially abled children had visited Bhavans. As part of the SUPW program initiated by the CBSE, our school organised a visit. The students of Deepam School visited our school. Deepam School is involved in selfless service of looking after the intellectually disabled persons and autistic children for the past twenty five years. Our students were encouraged to be sensitive to the needs of others and develop a positive attitude and compassion towards the needy. They expressed love, care, and compassion towards disadvantaged students. The students exhibited a lot of empathy towards the students of Deepam.

**Environment Conscious Citizens** 

As part othe SUPW program, on 10th August, students of class 12 visited Mr. Dwarkadas Suresh, who inspired them to become environmentally conscious citizens. Education systems have to ensure that students develop an understanding of environmental systems, learn new skills and ways of living sustainably, with respect to themselves, each other, their communities and their surroundings.

Dwarkadas Suresh, popularly known as Solar Suresh, shared ideas about fuel that has been famous for being self-sufficient and easily available in villages. His endeavors included a rooftop solar plant, a biogas plant, rainwater harvesting, and a kitchen garden. Most importantly, he organically grew about 15-20 types of vegetables. the allowed to it though the gest since of the

The SUPW program initiated by the CBSE includes "Care for the Homeless." As part of the program, the students of Bhavan's had a glimpse into the life of people who give care and concern to the homeless. Volunteers from class 12 participated in a programme to give happiness to children living in shelters.

This visit also aimed at increasing awareness about the issue of homelessness and to understand and appreciate every child's right to an optional standard of living, health care, education, services, to play and recreation. These also include a balanced diet, a warm bed to sleep in, and access to schooling. This activity gave them realistic insights of the situation of the poor and homeless.

On the 2nd and 10th of August, the students of class 12 were part of the "Swachh Bharat, Swachh Vidyalaya". It is part of the SUPW program prescribed by the CBSE that ensures students of every school in India to be aware of the water, sanitary and hygiene facilities.

Students of class 12 were highlighted on the importance of cleanliness and sanitation to maintain hygiene. Citizens of India have to bring about an attitudinal change towards cleanliness and sanitation to live in a pollution-free environment. Students understood the benefits of cleanliness and the disadvantages of uncleanliness, including the health hazards.

#### Being safe and responsible

that still temple

On the 2nd and 10th of August, students were enlightened on the different dangers involved and the techniques to give first aid during emergencies. The primary aim of this activity was to understand the importance of being safe and responsible. The importance of giving first aid for cuts and bruises was explained. Additionally, the impact of heat exhaustion, heat stroke, breathing difficulties, nosebleeds, choking, and other basic sports injuries was covered. This SUPW session proved productive as students prepared first aid kits and practised the first aid skills.

These techniques would empower them to assist people in emergencies.

Aakruti, the inter-house cultural extravaganza, took place on August 30th and 31st, 2024, marking a memorable showcase of teamwork and talent. Students from the houses Abhimanyu, Arjun, Bheeshma, and Karna participated with great enthusiasm across a range of cultural disciplines, which included music, dance, art and literary competitions.

The theme for this year's Aakruti was 'Y2K' ,which invoked critical thinking to the topic.The event was graced by Mr. Maanas C V S S who is a prominent Tamil actor and anchor.

At the end of the Final Showdown, Kaushik Selvam, of Bheeshma House, emerged victorious, followed by Rishabh Jain of Arjun House. The first place in Aakruti was bagged by Arjun House.
