On **1st April 2026** our school team comprising Dev Naveen (Class XI B), Arjun V (Class XI A) and Samridh (Class IX B) secured first place in the Quiz Competition at Science Fest 2026, hosted by PSBB, Nungambakkam. Competing against teams from various schools, the trio impressed everyone with their scientific knowledge, quick thinking and excellent teamwork. Their outstanding achievement has brought great pride to the school. We congratulate the winners and wish them continued success in all their future endeavours.

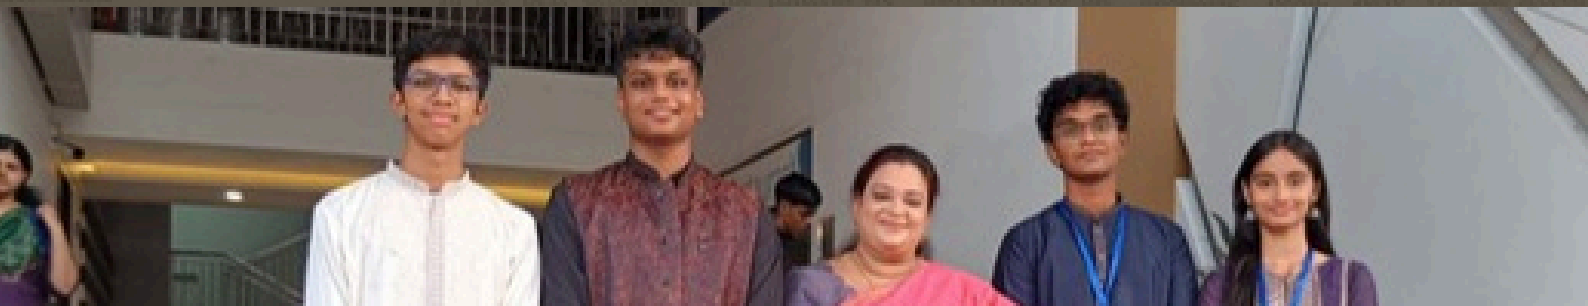

World Health Day

The Science Department organized a World Health Day celebration on **7th April 2026** to promote health and well-being. The activities included a health audit, healthy snacks, stress busters and a health campaign, encouraging students to adopt healthy lifestyle practices and raise awareness about physical and mental wellness. The programme was informative, interactive and successfully reinforced the importance of maintaining a healthy lifestyle.

MUN Kozhikode

Students of our school recently had the privilege of participating in the All-India Bhavan's Model United Nations Conference – 2026, held at Bharatiya Vidya Bhavan, Chevayur, Kozhikode, on **10th and 11th April, 2026**. The two-day event brought together young delegates from across the country, offering a dynamic platform for debate, diplomacy and critical thinking. Our school was represented by four budding diplomats—S Reya and P Sai Siddharth of class 12 and Samriddh Santosh and Sachin Sathiyasivan of class 10, under the able guidance of Mrs. Manoharan Anitha. The students actively participated in committee sessions, engaged in spirited deliberations on pressing global issues and acquitted themselves with commendable confidence and poise. The students received the Best Delegate award, the Honourable Mention award and the Special Mention. The MUN proved to be an enriching experience, broadening our students' perspectives on international affairs and honing their public speaking and negotiation skills.

National Pet Day

The celebration of National Pet Day was held with great enthusiasm at B.V. Bhavan's Rajaji Vidyashram on **11th April 2026**. The event aimed to spread awareness about the importance of pets in our lives and to encourage responsible pet ownership. The programme was graced by the esteemed chief guest, Anjana Thampy, a renowned animal-assisted therapist and passionate pet lover. She addressed the students and spoke about the emotional and therapeutic benefits of having pets, highlighting how animals can positively impact human well-being. Students actively participated in the event by bringing along their pets, which included dogs, cats, guinea pigs and even a rooster. The lively atmosphere was further enhanced as some pets delighted the audience by performing simple tricks, leaving everyone amazed and entertained. The event was truly fun-filled and engaging. It also served as an educational experience, helping students understand the importance of adopting pets, especially Indian breeds, and treating animals with love and care. Overall, the National Pet Day celebration was a memorable occasion that combined learning with joy, fostering compassion and awareness among students towards animals.

Student Exchange Program

On **11th April 2026**, a student exchange programme was jointly organised by our school and Bhavans B.P. Vidya Mandir, Nagpur. The programme aimed to promote cultural exchange, friendship and mutual learning among students. As part of the initiative, students from our school hosted and took care of the visiting students from Bhavans B.P. Vidya Mandir during their stay in Chennai. Similarly, when our students visited Nagpur, they were warmly welcomed and looked after by their counterparts. The students participated in various sightseeing activities and visited several places of interest, which helped them learn about the culture, heritage and lifestyle of the city. The programme provided an excellent opportunity for students to interact, share experiences and build lasting friendships. Teachers from both the schools accompanied the students throughout the programme, ensuring their safety and guiding them during all activities. The exchange programme was a memorable and enriching experience for all participants and successfully strengthened the bond between the two institutions.

Orientation for Classes 10 & 12

An orientation programme for the parents of Classes X and XII was conducted on **18th April 2026** to familiarise them with the academic plan and expectations for the board examination year. The session highlighted the CBSE curriculum, examination pattern, assessment process, study strategies and the importance of consistent preparation and attendance. Parents were also guided on how they could support their children in managing stress, maintaining a balanced routine and staying motivated throughout the academic year.

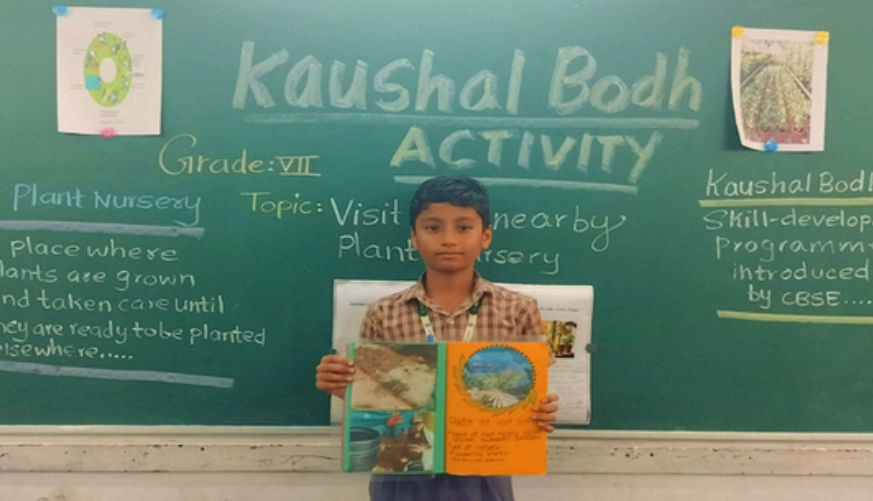

NIC

The XIV National Integration Camp 2026, centred on the theme "Heritage and Legacy—The Icons of Bhavans," was held from **21st April to 26th April 2026** in Tirupati, Andhra Pradesh. Six students from our school actively participated in this enriching and memorable camp. The session featured a wide range of activities designed to promote cultural awareness, creativity and holistic development. One of the highlights was a session on Kalamkari art, where students explored the traditional techniques and cultural significance of the ancient art form. Participants also visited the temples, gaining insights into regional traditions and cultural heritage. A special programme by Sangita Kalanidhi Ms. Avararala Kanyakumari, a renowned violinist, was a truly captivating experience that left a lasting impression on all attendees. The camp also included a hiking activity, allowing students to connect with nature and build teamwork. The camp concluded with a vibrant commemoration of "Vande Mataram". During this event, two students from our school proudly represented Madhya Pradesh by dressing in the state's traditional attire, showcasing the spirit of unity in diversity. The camp provided the students the opportunities to learn, interact and appreciate the rich cultural heritage of India, leaving them with cherished memories and valuable life lessons.

Poem

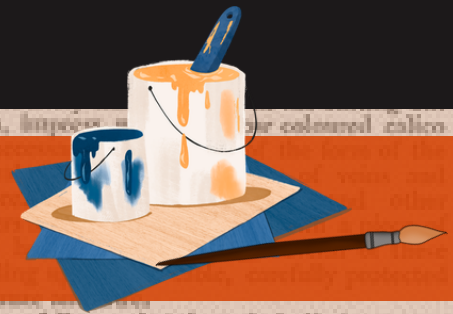

Laugh at Moving Success

Not a one but all the world roar,
To hardships of success,
Stare like whether to follow the passion,
As it lays a long path to destinate,
The point of view is always straight and precise.
But the curve of mass is always wrong,
Which stops you from moving on,
But time flies,
Until you realise how far it is to become
successful.
